

Worship In Pink

Worship in Pink FAQ:

What is Worship in Pink Week?

Worship in Pink Week (WIP) is a **FREE**, grassroots effort with local religious organizations to educate their respective members on breast health, breast cancer, and the availability of local resources.

When is WIP?

In 2017, Komen Coastal Georgia will Worship in Pink Week will be held October 22-28, although organizations are free to choose the time of year that best suits them. Worship in Pink Ambassador trainings, held in early October, train church leaders how to implement programs in their congregations.

What does Komen Coastal Georgia provide?

Each organization will be provided with a **FREE** WIP toolkit. The toolkit includes a sample bulletin announcement, suggested script, and a list of programming ideas. Organizations are also encouraged to visit www.komencoastalgeorgia.org to download **FREE** reproducible educational items.

Who can participate in WIP?

Any church, synagogue, mosque or other religious organization within the Affiliate's nine-county service area of Bryan, Bulloch, Camden, Chatham, Effingham, Glynn, McIntosh, Liberty, and Long County is able to participate.

What exactly does my organization have to do?

Your organization can do as little or as much as it would like. Most organizations hand out the education packets at their weekly service and invite their members to wear pink. Some organizations invite members to speak about how breast cancer has affected them. Other ideas are honoring the survivors in your congregation, creating a memory wall, or having a candlelight vigil. Design a program that works best for your organization.

Does Komen Coastal Georgia provide speakers?

Komen Coastal Georgia has trained a dedicated group of volunteers, who are able to spread the word about breast health and help in our mission to end breast cancer forever. Speakers Bureau volunteers can speak on breast health and breast cancer information including:

- What is breast cancer?
- Who can get breast cancer?
- Am I at risk?
- What can I do to protect myself?

To request a speaker for your WIP service, please contact Komen Coastal Georgia at 912-232-2535. Please contact the office **at least one month** in advance to request a speaker. We will try our best to provide a speaker, but not all speaker requests can be filled.
